#### **It's my Life – Bon Jovi**

This ain't a song for the broken-hearted  
No silent prayer for the faith-departed  
I ain't gonna be just a face in the crowd  
You're gonna hear my voice  
When I shout it out loud

It's my life  
It's now or never  
I ain't gonna live forever  
I just want to live while I'm alive  
It's my life  
My heart is like an open highway  
Like Frankie said  
I did it my way  
I just wanna live while I'm alive  
It's my life

This is for the ones who stood their ground  
For Tommy and Gina who never backed down  
Tomorrow's getting harder make no mistake  
Luck ain't even lucky  
Got to make your own brakes

It's my life  
And it's now or never  
I ain't gonna live forever  
I just want to live while I'm alive  
It's my life  
My heart is like an open highway  
Like Frankie said  
I did it my way  
I just want to live while I'm alive  
'Cause it's my life

Better stand tall when they're calling you out  
Don't bend, don't break, baby, don't back down

It's my life  
And it's now or never  
'Cause I ain't gonna live forever  
I just want to live while I'm alive  
It's my life  
My heart is like an open highway  
Like Frankie said  
I did it my way  
I just want to live while I'm alive

It's my life  
And it's now or never  
'Cause I ain't gonna live forever  
I just want to live while I'm alive  
It's my life  
My heart is like an open highway  
Like Frankie said  
I did it my way  
I just want to live while I'm alive  
'Cause it's my life!

**Pack a Punch Stage 2 – FIGHT**  
**Don't Give up on Me –Andy Grammer (with R3HAB)**

I will fight, I will fight for you  
I always do until my heart is black and blue  
And I will stay, I will stay with you  
We'll make it to the other side like lovers do

I'll reach my hands out in the dark and  
Wait for yours to interlock  
I'll wait for you, I'll wait for you

'Cause I'm not givin' up  
I'm not givin' up, givin' up, no, not yet  
Even when I'm down on my last breath  
Even when they say there's nothin' left  
So don't give up on  
I'm not givin' up  
I'm not givin' up, givin' up, no, not me  
Even when nobody else believes  
I'm not goin' down that easily  
So don't give up on me

So don't give up on me

And I will hold, I'll hold onto you

No matter what this world will throw  
It won't shake me loose

I'll reach my hands out in the dark and  
Wait for yours to interlock  
I'll wait for you, I'll wait for you

'Cause I'm not givin' up  
I'm not givin' up, givin' up, no, not yet  
Even when I'm down on my last breath  
Even when they say there's nothin' left  
So don't give up on  
I'm not givin' up  
I'm not givin' up, givin' up, no, not me  
Even when nobody else believes  
I'm not goin' down that easily  
So don't give up on me

So don't give up on me

**Pack a Punch Stage 3 – FEARLESS**  
**One Less Day (Dying Young) – Rob Thomas**

I'm not afraid of getting older  
I'm one less day from dying young  
I see the light go past my shoulder  
I'm one less day from dying young

I see my life like a train on a one-way track  
I've made mistakes and I couldn't take 'em back  
And I've been runnin' 'round in circles 'til I'm dizzy I can't lie  
But every night I go to sleep's a day that I survived

I'm not afraid of getting older  
I'm one less day from dying young  
I see the light go past my shoulder  
I'm one less day from dying young

And I've seen my friends fall away before their time  
And I've been afraid that I may follow in their light  
So I drink and love and whisper all the things I know are right  
Someday I will leave this world but maybe not tonight

I'm not afraid of getting older  
I'm one less day from dying young  
I see the light go past my shoulder

I'm one less day from dying young  
I'm one less day from dying young

All my life I have been wandering  
Burnin' up my candle like my time just won't end  
And I'll keep burnin' 'til there's nothin' left  
Prayin' that tomorrow I can do it all again  
And if I get tomorrow I will do it all again

I'm not afraid of getting older  
I'm one less day from dying young  
I see the light go past my shoulder  
I'm one less day from dying young

I'm not afraid of getting older  
I'm one less day from dying young (From dying young)  
I see the light go past my shoulder  
I'm one less day from dying young (From dying young)  
I'm one less day from dying young (From dying young)  
Hey

(I'm one less day from dying young  
I see the light  
I'm one less day from dying young  
I'm one less day from dying young)

**Pack a Punch Stage 4 – LIVE!**  
**Live like you were Dying – Tim McGraw**

He said, "I was in my early 40s,  
With a lot of life before me,  
And a moment came that stopped me on a dime.  
I spent most of the next days  
Lookin' at the X-rays,  
Talkin' 'bout the options  
And talkin' 'bout sweet time."

I asked him, "When it sank in that this might really be the real end,  
How's it hit you, when you get that kind of news?"  
Man what'd you do?"  
And he said,

"I went sky divin',  
I went rocky mountain climbin',  
I went 2.7 seconds on a bull named Fumanchu.  
And I loved deeper,

And I spoke sweeter,  
And I gave forgiveness I'd been denying."

And he said, "Someday I hope you get the chance  
To live like you were dying."

He said, "I was finally the husband  
That most the time I wasn't,  
And I became a friend a friend would like to have.  
And all of a sudden goin' fishing  
Wasn't such an imposition.  
And I went three times that year I lost my dad.  
Well I finally read the good book,  
And I took a good long hard look  
At what I'd do if I could do it all again.  
And then...

I went sky divin',  
I went rocky mountain climbin',  
I went 2.7 seconds on a bull named Fumanchu.  
And I loved deeper,  
And I spoke sweeter,  
And I gave forgiveness I'd been denying."

And he said, "Someday I hope you get the chance  
To live like you were dying."

Like tomorrow was a gift  
And you've got eternity  
To think about what you'd do with it,  
What did you do with it,  
What can I do with it,  
What would I do with it.

Sky divin',  
I went rocky mountain climbin',  
I went 2.7 seconds on a bull named Fumanchu.  
And I loved deeper,  
And I spoke sweeter,  
And I watched an eagle as it was flyin'.

And he said, "Someday I hope you get the chance  
To live like you were dyin'."

To live like you were dyin'.  
To live like you were dyin'.  
To live like you were dyin'.  
To live like you were dyin'.

**Pack a Punch Stage 5 – ENJOY**  
**The Show - Lenka**

I'm just a little bit caught in the middle  
Life is a maze and love is a riddle  
I don't know where to go; can't do it alone; I've tried  
And I don't know why

Slow it down  
Make it stop  
Or else my heart is going to pop  
'Cause it's too much  
Yeah, it's a lot  
To be something I'm not

I'm a fool  
Out of love  
'Cause I just can't get enough

I'm just a little bit caught in the middle  
Life is a maze and love is a riddle  
I don't know where to go; can't do it alone; I've tried  
And I don't know why

I'm just a little girl lost in the moment  
I'm so scared but I don't show it  
I can't figure it out  
It's bringing me down I know  
I've got to let it go  
And just enjoy the show

The sun is hot  
In the sky  
Just like a giant spotlight  
The people follow the sign  
And synchronize in time  
It's a joke  
Nobody knows  
They've got a ticket to the show  
Yeah

I'm just a little bit caught in the middle  
Life is a maze and love is a riddle  
I don't know where to go; can't do it alone; I've tried  
And I don't know why

I'm just a little girl lost in the moment  
I'm so scared but I don't show it  
I can't figure it out

It's bringing me down I know  
I've got to let it go  
And just enjoy the show  
Just enjoy the show

I'm just a little bit caught in the middle  
Life is a maze and love is a riddle  
I don't know where to go; can't do it alone; I've tried  
And I don't know why

I'm just a little girl lost in the moment  
I'm so scared but I don't show it  
I can't figure it out  
It's bringing me down I know  
I've got to let it go  
And just enjoy the show

Dum de dum  
Dudum de dum

Just enjoy the show

Dum de dum  
Dudum de dum

Just enjoy the show

I want my money back  
I want my money back  
I want my money back  
Just enjoy the show

I want my money back  
I want my money back  
I want my money back  
Just enjoy the show

**Pack a Punch Stage 6 – ESCAPE**  
**Shotgun – Music Travel Love**

Home grown alligator, see you later  
Gotta hit the road, gotta hit the road  
Something changed in the atmosphere, architecture unfamiliar  
I could get used to this

Time flies by in the yellow and green  
Stick around and you'll see what I mean  
There's a mountain top that I'm dreaming of

If you need me, you know where I'll be

I'll be riding shotgun underneath the hot sun  
Feeling like a someone  
I'll be riding shotgun underneath the hot sun  
Feeling like a someone

Well, South of the Equator, navigator  
Gotta hit the road, gotta hit the road  
And deep sea diving round the clock  
Bikini bottoms, lager tops  
I could get used to this

Time flies by in the yellow and green  
Stick around and you'll see what I mean  
There's a mountain top that I'm dreaming of  
If you need me, you know where I'll be

I'll be riding shotgun underneath the hot sun  
Feeling like a someone  
I'll be riding shotgun underneath the hot sun  
Feeling like a someone

We got two in the front, two in the back  
Sailing along and we don't look back  
(Back, back, back-back-back, back-back-back)

Time flies by in the yellow and green  
Stick around and you'll see what I mean  
There's a mountain top that I'm dreaming of  
If you need me, you know where I'll be

I'll be riding shotgun underneath the hot sun  
Feeling like a someone  
I'll be riding shotgun underneath the hot sun  
Feeling like a someone

I'll be riding shotgun underneath the hot sun  
Feeling like a someone  
I'll be riding shotgun underneath the hot sun  
Feeling like a someone, a someone, a someone, a some...

**Pack a Punch SWAN SONG**  
**I Won't Back Down – Tom Petty**

Well, I won't back down  
No, I won't back down  
You can stand me up at the gates of hell  
But I won't back down

No, I'll stand my ground  
Won't be turned around  
And I'll keep this world from draggin' me down  
Gonna stand my ground  
And I won't back down

(I won't back down) Hey, baby  
There ain't no easy way out  
(I won't back down) Hey, I  
Will stand my ground  
And I won't back down

Well, I know what's right  
I got just one life  
In a world that keeps on pushin' me around  
But I'll stand my ground  
And I won't back down

(I won't back down) Hey, baby  
There ain't no easy way out  
(I won't back down) Hey, I  
Will stand my ground  
(I won't back down) And I won't back down

(I won't back down) Hey, baby  
There ain't no easy way out  
(I won't back down) Hey, I  
Won't back down

(I won't back down) Hey, baby  
There ain't no easy way out  
(I won't back down) Hey, I  
Will stand my ground  
(I won't back down) And I won't back down  
(I won't back down) No, I won't back down
