## LEVEL 0 – SENSATIONAL HAPPINESS Grief is gone – it's time for song

### Welcome to a "Peaceful World" – John Mellencamp

Come on baby take a ride with me  
I'm up from Indiana down to Tennessee  
Everything is cool as can be  
In a peaceful world

People know this world is a wreck  
We're sick and tired of being politically correct  
If I see through it now but I didn't at first  
The hypocrites made it worse and worse  
Lookin' down their noses at what people say  
These are just words and words are okay  
It's what you do and not what you say  
If you're not part of the future then get out of the way

Come on baby take a ride with me  
I'm up from Indiana down to Tennessee  
Everything is cool as can be  
In a peaceful world

Racism lives in the U.S. today  
Better get hip to what Martin Luther King had to say  
I don't want my kids being brought up this way  
Hatred to each other is not okay  
Well I'm not a preacher just a singer son  
But I can see more work to be done  
It's what you do and not what you say  
If you're not part of the future then get out of the way

Come on baby take a ride with me  
I'm up from Indiana down to Tennessee  
Everything is cool as can be  
In a peaceful world

Lay back the top and ride with me  
I'm up from Indiana down to Tennessee  
Everything is cool as can be  
In a peaceful world

The money's good and the work is okay  
Looks like everything is rollin our way  
'Til you gotta look the devil in the eye  
You know that bastard's one big lie  
So be careful with your heart and what you love  
Make sure that it was sent from above  
It's what you do and not what you say  
If you're not part of the future then get out of the way

Come on baby take a ride with me  
I'm up from Indiana down to Tennessee  
Everything is cool as can be  
In a peaceful world

Lay back the top and ride with me  
I'm up from Indiana down to Tennessee  
Everything is cool as can be  
In a peaceful world

Hey yeah  
Hey yeah  
Hey yeah  
Hey yeah

**11 Stages of Sensational Happiness Theme Song**  
**Somewhere over the Rainbow/What a Wonderful World –**  
**Israel Kamakawi'ole**

Somewhere over the rainbow  
Way up high  
And the dreams that you dreamed of  
Once in a lullaby

Somewhere over the rainbow  
Bluebirds fly  
And the dreams that you dreamed of  
Dreams really do come true

Someday I'll wish upon a star  
Wake up where the clouds are far  
Behind me  
Where trouble melts like lemon drops  
High above the chimney top  
That's where you'll find me

Somewhere over the rainbow  
Bluebirds fly  
And the dream that you dare to,  
Oh why, oh why can't I?

Well I see trees of green and red roses too,  
I'll watch them bloom for me and you  
And I think to myself  
What a wonderful world

Well I see skies of blue  
And I see clouds of white  
And the brightness of day  
I like the dark  
And I think to myself  
What a wonderful world

The colors of the rainbow so pretty in the sky  
Are also on the faces of people passing by  
I see friends shaking hands  
Singing, "How do you do?"  
They really sing, "I...I love you"

I hear babies cry and I watch them grow  
They'll learn much more than we'll know  
And I think to myself  
What a wonderful world

Someday I'll wish upon a star  
Wake up where the clouds are far  
Behind me  
Where trouble melts like lemon drops  
High above the chimney top  
That's where you'll find me

Oh, somewhere over the rainbow

Way up high  
And the dream that you dare to  
Why, oh why can't I? I?

**#1 Catch & Release – Matt Simons**

**(Repeat of Split Personality Grief Escape Hatch)**

**Holding the line against Grief**

There's a place I go to  
Where no one knows me  
It's not lonely  
It's a necessary thing  
It's a place I made up  
Find out what I'm made of  
The nights I've stayed up  
Counting stars and fighting sleep

Let it wash over me  
I'm ready to lose my feet  
Take me off to the place where one reveals life's mystery  
Steady on down the line  
Lose every sense of time  
Take it all in and wake up that small part of me  
Day to day I'm blind to see  
And find how far  
To go

Everybody got their reason  
Everybody got their way  
We're just catching and releasing  
What builds up throughout the day

It gets into your body  
It flows right through your blood  
We can tell each other secrets  
And remember how to love

There's a place I'm going  
No one knows me  
If I breathe real slowly

Let it out and let it in  
It can be terrifying  
To be slowly dying  
Also clarifying  
We end where we begin

So let it wash over me  
I'm ready to lose my feet  
Take me off to the place where one reveals life's mystery  
Steady on down the line  
Lose every sense of time  
Take it all in and wake up that small part of me  
Day to day I'm blind to see  
And find how far  
To go

Everybody got their reason  
Everybody got their way  
We're just catching and releasing  
What builds up throughout the day

It gets into your body  
And it flows right through your blood  
We can tell each other secrets  
And remember how to love

Everybody got their reason  
Everybody got their way  
We're just catching and releasing  
What builds up throughout the day

And it gets into your body  
And it flows right through your blood  
We can tell each other secrets  
And remember how to love

## **Stage 2 – CHANGE**

### **New Shoes – Paolo Nutini**

Woke up cold one Tuesday  
I'm looking tired and feeling quite sick

I felt like there was something missing in my day to day life  
So I quickly opened the wardrobe  
Pulled out some jeans and a T-Shirt that seemed clean  
Topped it off with a pair of old shoes  
That were ripped around the seams  
And I thought these shoes just don't suit me

Hey, I put some new shoes on  
And suddenly everything is right  
I said, hey, I put some new shoes on and everybody's smiling  
It's so inviting  
Oh, short on money  
But long on time  
Slowly strolling in the sweet sunshine  
And I'm running late  
And I don't need an excuse  
'Cause I'm wearing my brand new shoes

Woke up late one Thursday  
And I'm seeing stars as I'm rubbing my eyes  
And I felt like there were two days missing  
As I focused on the time  
And I made my way to the kitchen  
But I had to stop from the shock of what I found  
A room full of all of my friends all dancing round and round  
And I thought hello new shoes  
Bye bye them blues

Hey, I put some new shoes on  
And suddenly everything is right  
I said, hey I put some new shoes on  
And everybody's smiling, it's so inviting  
Oh short on money but long on time  
Slowly strolling in the sweet sunshine  
And I'm running late and I don't need an excuse  
'Cause I'm wearing my brand new shoes

Take me wandering through these streets  
Where bright lights and angels meet  
Stone to stone they take me on  
I'm walking to the break of dawn  
Take me wandering through these streets  
Where bright lights and angels meet  
Stone to stone they take me on

I'm walking to the break of dawn

Hey, I put some new shoes on  
And suddenly everything is right  
I said, hey I put some new shoes on  
And everybody's smiling, it's so inviting  
Oh short on money but long on time  
Slowly strolling in the sweet sunshine  
And I'm running late and I don't need an excuse  
'Cause I'm wearing my brand new shoes

Hey, I put some new shoes on  
And suddenly everything is right  
Hey, I put some new shoes on  
And suddenly everything is right  
I said, hey I put some new shoes on  
And everybody's smiling, it's so inviting  
Oh short on money but long on time  
Slowly strolling in the sweet sunshine  
And I'm running late and I don't need an excuse  
'Cause I'm wearing my brand new shoes

#### **Let it Be - Beatles**

**(Repeat of DLIM Grief Escape Hatch)  
Holding the line against Grief**

When I find myself in times of trouble  
Mother Mary comes to me  
Speaking words of wisdom  
Let it be

And in my hour of darkness  
She is standing right in front of me  
Speaking words of wisdom  
Let it be

Let it be, let it be, let it be, let it be  
Whisper words of wisdom  
Let it be

And when the broken-hearted people  
Living in the world agree  
There will be an answer  
Let it be

For though they may be parted there is  
Still a chance that they will see  
There will be an answer  
Let it be

Let it be, let it be, let it be, let it be  
Yeah, there will be an answer  
Let it be

Let it be, let it be, let it be, let it be  
Whisper words of wisdom  
Let it be

Let it be, let it be, let it be, let it be  
Whisper words of wisdom  
Let it be

And when the night is cloudy  
There is still a light that shines on me  
Shine until tomorrow  
Let it be

I wake up to the sound of music  
Mother Mary comes to me  
Speaking words of wisdom  
Let it be

Let it be, let it be, let it be, yeah, let it be  
There will be an answer  
Let it be

Let it be, let it be, let it be, yeah, let it be  
There will be an answer  
Let it be

Let it be, let it be, let it be, yeah, let it be  
Whisper words of wisdom  
Let it be

**Stage 4 – SENSATIONAL LOVE**  
**Simple – Florida Georgia Line**

The way your fingers fit in mine  
It's five plus five, not rocket science  
This day in time, that's hard to find  
It's true the road we're on ain't a traffic jam  
It's a Sunday drive on a piece of land  
It's paradise as long as I'm with you

It's like one, two three  
Just as easy as can be  
Just the way you look at me  
You make me smile  
Ain't no need to complicate it, we both know that's overrated  
We've been there, it's safe to say it ain't our style  
It's just that simple, S-I-M-P-L-E  
Simple as can be  
It's just that simple, S-I-M-P-L-E  
Simple as can be

We used to live on Instagram  
Worry 'bout who all gives a damn  
'Bout where we've been and where we ended up  
Then I met you and you met me  
And all the rest is history; an epiphany  
That all we need is us

It's like one, two three  
Just as easy as can be  
Just the way you look at me  
You make me smile  
Ain't no need to complicate it, we both know that's overrated  
We've been there, it's safe to say it ain't our style  
We're just simple like a six string  
The way this world was meant to be  
Like laughin' love, make a lot out of a little  
Its just that simple, S-I-M-P-L-E  
Simple as can be  
Its just that simple, S-I-M-P-L-E

Simple as can be

Ain't no need to complicate it, we both know that's overrated  
We've been there, its safe to say it ain't our style, yeah  
It's like one, two three  
Just as easy as can be  
Just the way you look at me  
You make me smile

Ain't no need to complicate it, we both know that's overrated  
We've been there, its safe to say it ain't our style  
We're just simple like a six string  
The way this world was meant to be  
Like laughin' love, make a lot out of a little  
Its just that simple, S-I-M-P-L-E  
Simple as can be  
Its just that simple, S-I-M-P-L-E  
Simple as can be  
Its just that simple, S-I-M-P-L-E  
Simple as can be  
It's just that simple, S-I-M-P-L-E  
Simple as can be

### **Stage 5 – FORGIVENESS (GRIEF PREVENTION)**

**Forgiveness – Matthew West**

**(Repeat of Blindside Grief Escape Hatch)**

**Holding the line against Grief**

It's the hardest thing to give away  
And the last thing on your mind today  
It always goes to those who don't deserve

It's the opposite of how you feel  
When the pain they caused is just too real  
Takes everything you have just to say the word...

Forgiveness  
Forgiveness

It flies in the face of all your pride  
It moves away the mad inside  
It's always angers own worst enemy  
Even when the jury and the judge  
Say you gotta right to hold a grudge

It's the whisper in your ear saying 'Set It Free'

Forgiveness, Forgiveness  
Forgiveness, Forgiveness

Show me how to love the unlovable  
Show me how to reach the unreachable  
Help me now to do the impossible

Forgiveness, Forgiveness

Help me now to do the impossible  
Forgiveness

It'll clear the bitterness away  
It can even set a prisoner free  
There is no end to what its power can do  
So, let it go and be amazed  
By what you see through eyes of grace  
The prisoner that it really frees is you

Forgiveness, Forgiveness  
Forgiveness, Forgiveness

Show me how to love the unlovable  
Show me how to reach the unreachable  
Help me now to do the impossible  
Forgiveness

I want finally set it free  
So show me how to see what Your mercy sees  
Help me now to give what You gave to me  
Forgiveness, Forgiveness

**Stage 6 – UNCONDITIONAL LOVE & FAITH (complete trust & confidence)**  
**Saved my Life – Andy Grammer & R3HAB**

**Pop Quiz – Is this a Rock LOVE song or Christian (or both?)**

Oh-oh-oh-oh  
Oh-oh-oh-oh  
I think you should know you saved my life

I don't think you realize  
What you've done for me  
Oh, I don't think you realize  
What a little love could mean

Oh, you, you stayed by my side  
And you, you keep on the lights  
And you knew just what to say  
When I was fadin'  
Sometimes all that you need is  
Someone who can believe in you  
More than you do

I was lost until I saw your halo  
I was blind until I saw your light  
I believe, oh, friend, we all have angels  
And you are mine  
I think you should know you saved my life

Oh-oh-oh-oh  
Whoa-oh-oh-oh  
I think you should know you saved my life  
Whoa-oh-oh-oh  
Whoa-oh-oh-oh  
I think you should know you saved my life

I don't think you realize  
What you're words can do  
Oh, the whole world was fallin' all 'round me  
But I held on to you

Oh, you, you stayed by my side  
And you, you keep on the lights  
And you knew just what to say  
When I was fadin'  
Sometimes all that you need is  
Someone who can believe in you  
More than you do

I was lost until I saw your halo  
I was blind until I saw your light  
I believe, oh, friend, we all have angels  
And you are mine  
I think you should know you saved my life

Oh-oh-oh-oh  
Whoa-oh-oh-oh  
I think you should know you saved my life

I was lost until I saw your halo  
(Whoa-oh-oh-oh)  
(Whoa-oh-oh-oh)

### **Stage 7 – COMPASSION (GRIEF PREVENTION)**

#### **Give Me Your Eyes – Brandon Heath**

**(Repeat of Pure Evil Grief Escape Hatch)  
Holding the line against Grief**

**Happy People Help People**

Looked down from a broken sky  
Traced out by the city lights  
My world from a mile high  
Best seat in the house tonight

Touched down on the cold black top  
Hold on for the sudden stop  
Breathe in the familiar shock  
Of confusion and chaos

All those people goin' somewhere  
Why have I never cared?

Give me Your eyes for just one second  
Give me Your eyes so I can see  
Everything that I keep missing  
Give me Your love for humanity

Give me Your arms for the broken-hearted  
The ones that are far beyond my reach  
Give me Your heart for the ones forgotten  
Give me Your eyes so I can see

Step out on a busy street  
See a girl and our eyes meet  
Does her best to smile at me  
To hide what's underneath

There's a man just to her right  
Black suit and a bright red tie  
Too ashamed to tell his wife  
He's out of work, he's buyin' time

All those people goin' somewhere  
Why have I never cared?

Give me Your eyes for just one second  
Give me Your eyes so I can see  
Everything that I keep missing  
Give me Your love for humanity

Give me Your arms for the broken-hearted  
The ones that are far beyond my reach  
Give me Your heart for the ones forgotten  
Give me Your eyes so I can see

I've been there a million times  
A couple of million eyes  
Just move and pass me by  
I swear I never thought that I was wrong

Well, I want a second glance  
So, give me a second chance  
To see the way You've seen the people all along

Give me Your eyes for just one second  
Give me Your eyes so I can see  
Everything that I keep missing  
Give me Your love for humanity

Give me Your arms for the broken-hearted  
The ones that are far beyond my reach  
Give me Your heart for the ones forgotten  
Give me Your eyes so I can see

Give me Your Eyes  
(Give me Your eyes for just one second)

Lord, give me Your eyes  
(Give me Your eyes so I can see)  
Everything  
(Everything that I keep missing)  
That I keep missing

Give me Your heart  
(Give me Your arms for the broken-hearted)  
For the broken hearted  
(The ones that are far beyond my reach)  
Give me Your heart  
(Give me Your heart for the ones forgotten)  
Lord, give me Your eyes  
(Give me Your eyes so I can see)

Writer(s): Brandon Heath, Jason Ingram

### **Stage 8 - PASSION** **Run – One Republic**

When I was a young boy living in the city  
All I did was run run run run run  
Staring at the lights they look so pretty  
Momma said "son son son son son  
You're gonna grow up, you're gonna get old  
All that glitters don't turn to gold  
But until then just have your fun  
Boy, run run run run run"

Yeah, run run run  
Run run run

When I was a young kid living in the city  
All I did was pay pay pay pay pay  
And every single dime that good Lord gave me  
I could make it last 3, 4, 5 days  
Living it up but living down low  
Chasing that luck before I get old  
And looking back, oh, we had some fun  
Boy run run run run run

They tell you that the sky might fall  
They'll say that you might lose it all  
So I run until I hit that wall

Yeah I learned my lesson, count my blessings  
Look to the rising sun and run run run

Yeah, one day well the sky might fall  
Yeah, one day I could lose it all  
So I run until I hit that wall  
If I learned one lesson, count your blessings  
Look to the rising sun and run run run

Run run run

Didn't get everything that I wanted  
But I got what I need, yeah yeah  
I see that light in the morning  
Shining down on me  
So take me up high, take me down low  
Where it all ends nobody knows  
But until then let's have some fun, yeah  
Run run run run run

They tell you that the sky might fall  
They'll say that you might lose it all  
So I run until I hit that wall  
Yeah, I learned my lesson, count my blessings  
Look to the rising sun and run run run

Yeah, one day well the sky might fall  
Yeah, one day I could lose it all  
So I run until I hit that wall  
If I learned one lesson, count your blessings  
Look to the rising sun and run run run

Run run run  
Yeah  
Run run run

Yeah, I learned my lesson, count my blessings  
Look to the rising sun

Yeah, I learned my lesson, count my blessings  
Look to the rising sun

Yeah, if I learned one lesson, count your blessings  
Look to the rising sun, yeah, run run run

**Stage 9 – REPENTANCE (GRIEF PREVENTION)**

**Repentance Song – Jermaine Edwards  
(Repeat of Accidental Grief Escape Hatch)  
Holding the line against Grief**

Here I am broken, I'm feeling sad.  
How did I get here, led away by my fleshly desires?  
For God I will pray, and the time to seek your face,  
Watch my life right before my eyes drift like a ship without a sail,  
But I seek you till I found strength for my life,  
and now I feel joy, that no words can describe.

Oh Where? Where else can I go, but to you O'Lord  
I know you restore me; I can't live without you Lord.  
Won't make it on my own,  
I'm begging you Lord, please have mercy

Thank you for one more chance,  
Forgiven and now I can dance.  
With you lord I know I belong,  
yeah, that's why I'm singing this repentance song,  
Can't allow myself to let go so I close all of the doors to sin, that's warring with my  
soul.

Oh Where? Where else can I go but to you O'Lord,  
I know you restore me, I can't live without you Lord.  
Can't make it on my own,  
I'm begging you Lord, please have mercy

Sometimes it's hard, but I know you're working on me,  
On things some people can't see  
But you said you love me and you'd never leave me  
So I try, pray obey and believe, you've given me the keys  
So now i am set free, yes.

**CHOROUS**

Oh Where? Where else can I go but to you O'Lord,  
I know you restore me; I can't live without you Lord.  
Won't make it on my own,  
I'm begging you Lord, please have mercy  
Have mercy, have mercy Lord, Please have mercy Jesus,  
Mercy, Mercy.

Writer(s): Jermaine Edwards

**Stage 10 – LIVING (a full & happy life)**

**My List – Toby Keith**

Under an old brass paperweight is my list of things to do today  
Go to the bank and the hardware store, put a new lock on the cellar door  
I cross 'em off as I get 'em done but when the sun is set  
There's still more than a few things left I haven't got to yet

Go for a walk, say a little prayer  
Take a deep breath of mountain air  
Put on my glove and play some catch  
It's time that I make time for that  
Wade the shore and cast a line  
Look up a long lost friend of mine  
Sit on the porch and give my girl a kiss  
Start livin', that's the next thing on my list

Wouldn't change the course of fate but cuttin' the grass just had to wait  
'Cause I've got more important things like pushin' my kid on the backyard swing  
I won't break my back for a million bucks I can't take to my grave  
So why put off for tomorrow what I could get done today

Like go for a walk, say a little prayer  
Take a deep breath of mountain air  
Put on my glove and play some catch  
It's time that I make time for that  
Wade the shore and cast a line  
Look up a long lost friend of mine  
Sit on the porch and give my girl a kiss  
Start livin', that's the next thing on my list

Raise a little hell, laugh 'til it hurts  
Put an extra five in the plate at church  
Call up my folks just to chat  
It's time that I make time for that  
Stay up late, then oversleep  
Show her what she means to me  
Catch up on all the things I've always missed  
Just start livin', that's the next thing on my list

Under an old brass paperweight  
Is my list of things to do today

### **Sensational Happiness SWAN SONG**

**Happy – Pharrell Williams**

***This song is so obviously happy there are no substitutes***

It might seem crazy what I'm about to say  
Sunshine she's here, you can take a break  
I'm a hot air balloon that could go to space

With the air, like I don't care, baby, by the way

Uh

(Because I'm happy)

Clap along if you feel like a room without a roof

(Because I'm happy)

Clap along if you feel like happiness is the truth

(Because I'm happy)

Clap along if you know what happiness is to you

(Because I'm happy)

Clap along if you feel like that's what you wanna do

Here come bad news, talking this and that (Yeah!)

Well, give me all you got, don't hold it back (Yeah!)

Well, I should probably warn you I'll be just fine (Yeah!)

No offense to you

Don't waste your time, here's why

(Because I'm happy)

Clap along if you feel like a room without a roof

(Because I'm happy)

Clap along if you feel like happiness is the truth

(Because I'm happy)

Clap along if you know what happiness is to you

(Because I'm happy)

Clap along if you feel like that's what you wanna do

Bring me down

Can't nothing bring me down

My level's too high to bring me down

Can't nothing bring me down, I said

Bring me down

Can't nothing bring me down

My level's too high to bring me down

Can't nothing bring me down, I said

(Because I'm happy)

Clap along if you feel like a room without a roof

(Because I'm happy)

Clap along if you feel like happiness is the truth

(Because I'm happy)

Clap along if you know what happiness is to you

(Because I'm happy)

Clap along if you feel like that's what you wanna do

(Because I'm happy)

Clap along if you feel like a room without a roof

(Because I'm happy)

Clap along if you feel like happiness is the truth  
(Because I'm happy)  
Clap along if you know what happiness is to you  
(Because I'm happy)  
Clap along if you feel like that's what you wanna do

Bring me down  
Can't nothing bring me down  
My level's too high to bring me down  
Can't nothing bring me down, I said

(Because I'm happy)  
Clap along if you feel like a room without a roof  
(Because I'm happy)  
Clap along if you feel like happiness is the truth  
(Because I'm happy)  
Clap along if you know what happiness is to you  
(Because I'm happy)  
Clap along if you feel like that's what you wanna do  
(Because I'm happy)  
Clap along if you feel like a room without a roof  
(Because I'm happy)  
Clap along if you feel like happiness is the truth  
(Because I'm happy)  
Clap along if you know what happiness is to you  
(Because I'm happy)  
Clap along if you feel like that's what you wanna do
